FOOT ARCHERY ACT

Get ready to witness something truly mesmerizing and unique! Orissa's foot archery act is a mind-bending combination of contortion and archery trickshots that will leave you completely spellbound.

With her signature foot archery shot as the grand finale, the act can be performed **with or without** fire and personalized to suit any theme or event. This performance is a one-of-a-kind experience that is guaranteed to leave you amazed and wanting more!

***“WORLD’S SEXIEST
ARCHER”***

— NEWYORKPOST

A woman with long, wavy brown hair is performing an aerial silk routine. She is suspended in the air, holding a vibrant red silk with both hands. Her body is arched, with her legs spread wide and one leg bent at the knee. She is wearing a black long-sleeved top and black leggings with gold patterns on the lower leg. The background is solid black, making the red silk and the performer stand out.

AERIAL PERFORMANCES

Whether she's spinning above your head or serving you champagne from the ceiling, get ready to be transported to a world of wonder as Orissa takes to the air with her breathtaking aerial performances.

Watch in awe as she effortlessly executes stunning moves on the **aerial silks, lyra, and free standing hoop**, also known as the 'lollipop'.

Orissa can customize her aerial performances as a one-off-show or multiple ambient sets based on your preferences.

*"IT WAS A FANTASTIC
PERFORMANCE"*
-HRH Queen Elizabeth II

BUBBLE CONTORTION

Looking for something truly captivating and unusual? Orissa offers an incredible display of hand balancing and contortion - all inside a mesmerizing 2-metre floating bubble.

With a combination of acrobatics and aquabatics, Orissa's high energy performance will entertain your guests with an experience that they'll never forget. Don't miss out on the chance to book this unique and thrilling bubble girl act for your event!
